### **EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee. Authorization for this examiner's amendment was given in a telephone interview with Ari Akmal on 5/15/2009.

### ***Allowable Subject Matter***

Claims 1-20 are allowed.

The following is an examiner's statement of reasons for allowance: the cited prior art does not disclose or render obvious the combination of elements recited in the claims as whole.

Specifically, the cited prior art fails to disclose or render obvious the following limitations:

As per independent claim 1, the claimed:

in a case where the region includes the second triangular shaped polygon, causing the CPU to determine whether a second distance from the lattice point to the second triangular-shaped polygon is measured or not, the second triangular-shaped polygon being included in the

in a case where the second distance is measured and the first distance differs from the second distance, causing the CPU to select smaller one of the first and second distances;

in a case where the second distance is measured and the first distance is same as the second distance, causing the CPU to compare a first displacement between a first projection point of the lattice point on a first X-Y plane and a nearest lattice point with a second displacement between a second projection point of the lattice point on a second X-Y plane and a nearest lattice point, the first X-Y plane being a coordinate including a plane of the first triangular-shaped polygon, the second X-Y plane being a coordinate including a plane of the second triangular-shaped polygon;

As per independent claims 7 and 13, these claims are also allowed for the same reasons as independent claim 1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
